Dear Parent and Carers,

Sausage Sizzle and Mulching

In conjunction with Greening Australia, we will be planting hundreds of trees and shrubs around our school fence, early next term. This is a great opportunity for our students to not only create habitat for wildlife, but to also beautify our school.

Before the planting can happen, we need to prepare the area with a layer of mulch. Our fence is 700m long. Spreading mulch over this distance will not be an easy task!

To get the job done, we would like to invite you to come and help us.

We are planning our mulch spreading day on Thursday, 7th April (Week 11), starting at 1:00pm

On this day we will also be holding a **Sausage Sizzle** Meal Deal to raise money for our end-of-year Year 6 activities. All students, parents, carers and community members are able to order a **sausage sandwich and either a popper or bottle of water for \$5**.

If you will be helping us to spread mulch on Thursday, 7th April, and you would like a **Sausage Sizzle** Meal Deal, please include your order on the form below. All orders need to be returned to the school, with payment, by Monday 4th April.

Yours sincerely,

Mrs Jansons
Assistant Principal, Stage 3
